

All Good Painters Agree

that the best painting results are secured by the use of painting nothing but Pure White Lead ground in Pure Oil—colored of course to the desired shade.

There are substitutes for these two ingredients, such as barytes and zinc, which cost less, but invariably lower the quality.

Pure White Lead paint requires less of the painter's time, looks better, lasts longer, affords better protection to the painted surface than any other kind. It forms an elastic coat that becomes at once an integral part of the wood painted. It will not crack or peel. It wears off gradually, leaving a surface ready for repainting without the expensive necessity of scraping and "burning off."

Insure yourself of the best results by insisting that every keg that is bought for your house bears this label:

RED SEAL
Pure White Lead
(Made by the Old Dutch Process)

Send for a booklet containing several handsome reproductions of actual houses, offering valuable suggestions for a color scheme in painting your house. A test for paint purity is also given.

Some Maine Heroes.

Written for a school exercise at the Harrison Grammar school by Ruth S. Vesters, age 12.

In speaking of the brave men of Maine, we must remember that in the Revolutionary war, Maine was only a part of Massachusetts and was thinly settled. Of that day governors of the District of Maine were Governor William Pepperell. He served though Queen Anne's war and was at the head of the forces that captured Louisbourg.

I know there are not many, if any, here, who know that the man who led the troops across Concord Bridge is buried only a little way from here. His name is Captain John Hayward. Captain Davis who was at the head of the troops was shot and Hayward took his place. Although he is not a Maine man he came to Maine after the war and died here. He is buried just within the town of Bridgton, very near the Waterford line. The stone is a plain gray slate in a small cemetery.

My great great grandfather, Captain Richard Mayberry led the militia from Gorham, Windham and other places around Portland, across Charleston Neck while the battle of Bunker Hill was finishing, as he was too late for the battle. His son, William Mayberry, entered the service at the age of fourteen and served as his aids through the war. It is reported that at Valley Forge when he was there, there was only two pairs of shoes in the company. General Joshua Chamberlain fought in the battle of Gettysburg and several other battles. After the war he served as president of Bowdoin college a long while. He is alive now and lives in Brunswick.

James O. O. Howard served through the Union army in the war in the war, and was one of the most distinguished generals. After the war he lectured at Bowdoin college and other places.

"All men are heroes, who leave their homes, friends, and every thing to fight for his country's flag." We have all heard this so many times that we ought to reverse the memory of old soldiers who fought and died for their country.

KEZAR FALLS.

Clarence Wadleigh, a former resident of this town but now living in Centralia, Kansas, is here visiting his father, G. W. Wadleigh, and his brothers, George and Ernest.

Mr. Wadleigh's former friends were very glad to have the pleasure of meeting with him again.

Dr. Eugene Chellis and wife of Portland came to attend the funeral of little Mary Chellis. Mrs. Martha Chellis, the little one's paternal grandmother, and her two daughters, Mrs. Frank Richardson and Mrs. Alfred Cunningham, came from Boston on the same sad occasion.

Walter Libby of Glen Elder, Kansas, is combining business with pleasure. He is staying with his mother, Mrs. Reliance Libby, and is having good success in disposing of the twenty horses he brought with him. The horses were in good condition, tractable and with every appearance of having been in good hands.

Mary, the little daughter of Mr. and Mrs. W. M. Chellis, was called home on the morning of June 3d, aged 14 months, 3 weeks and 4 days. He who said "Suffer the little ones to come unto Me," will not leave the bereaved parents comfortless. Services were held at the home on the afternoon of June 5th. The little white casket lay embowered in flowers and the smile on the face of the little sleeper robbed the grave of victory and death of its sting.

Ex-Gov. N. J. Batheholder, Secretary of the New Hampshire State Board of Agriculture, remembers us with a copy of the 4th edition of "New Hampshire Farms for Summer Homes." It is most beautifully printed with many fine halftones representing scenery that cannot be caught the eye and hold the attention for a long time. "A Hillside Home" with festoons of stringed apples drying in the sun carries us back to the days spent in and around Sanborn Bay in Meredith, Chenequo and Second Division. Boyhood days—never to be forgotten.

HIRAM.

A Wagon on the Saco. It has been many years, before this spring, since a wagon was seen on the Saco. One came down a week ago drawn by horses and pitched near Melville Gould's residence, then moved on to Hiram falls. The river was alive with river drivers and it seemed they had lots of work to do. There was such a jam at the falls they used explosives to clear them from the falls.

Invitations are out for the wedding, of Ralph Glover and Helen Butterfield at the Baptist church at high noon, June 23. Both are popular young people of Hebron and they have the best wishes of all for their future.

Half a century ago, Rev. Father John O'Brien of St. Patrick's Parish, Lowell, Mass., through overwork and exposure, became seriously run down. A cold and stubborn cough and lung trouble threatened his life. An eminent specialist gave Father John, as he was fondly called, a prescription to cure the cold and remove the lung trouble as well as to build up and strengthen the body. The clergyman began to improve at once, the cough disappeared and his lungs healed. It corrected his digestion, made new tissue and Father John was soon restored to his former health and strength.

Father John recommended the medicine to his parishioners and friends, and because of its merits it became the family remedy in thousands of homes, and became known as "Father John's Medicine," having been so named by the people, and was advertised, all with the approval of Father John.

If taken faithfully it will cure all throat and lung troubles, prevent Pneumonia and Consumption, and make flesh and strength.

NOTE:—Father John's Medicine is not a patent medicine and does not contain alcohol or poisonous drugs. Read guarantee which follows:

\$25,000 GUARANTEE.

As a guarantee that the story of Father John's Medicine is absolutely true, the sum of \$25,000 will be given to any charitable institution if it can be shown otherwise. Also it is further guaranteed that if Father John's Medicine does not do all that we claim for it, your money will be refunded.

For that Dandruff

There is one thing that will cure it—Ayer's Hair Vigor. It is a regular scalp-medicine. It quickly destroys the germs which cause this disease. The unhealthy scalp becomes healthy. The dandruff disappears, had to disappear. A healthy scalp means a great deal to you—healthy hair, no dandruff, no pimples, no eruptions. The best kind of a testimonial—“Sold for over sixty years.”

An Animal Story For Little Folks

MORE THAN SPOT COULD STAND

Spot would not pull the wagon for the two little girls.

"Never mind," said Ethel, "I know how we can make him go. Let's tie a tin can to his tail. Brother Tom makes dogs run by tying cans to their tails."

A tin can was found and tied on. Both little girls got in the wagon and by pulling at the lines finally got old Spot to his feet. The dog heard a strange rattling behind him. He turned to one side to see what it was and the can slammed against the wagon on the other side.

Then Spot began to run. The faster he ran the louder the tin can rattled.

SPOT BEGAN TO RUN.

The little girls screamed and pulled on the lines, but there was no stopping Spot.

"They saw a gentleman coming up the street. 'Oh, papa,' Daisy cried, 'stop him—stop Spot! We'll be killed.'"

Daisy's papa stopped the runaway. When he asked, "Why, little daughter, what's this you've tied to Spot's tail?"

Both little girls were crying. "It is just a tin can we tied to his tail 'cause he wouldn't go, and Ethel said a tin can would make him go," Daisy explained.

"Well, it did make him go," Daisy's papa said, laughing. "But I don't believe you ever want to try it again, do you?"

Both little girls said no. Then Daisy's papa put them in the wagon and led old Spot home, a sadger and a wiser dog—St. Louis Post-Dispatch.

An Animal Story For Little Folks

MORE THAN SPOT COULD STAND

Spot would not pull the wagon for the two little girls.

"Never mind," said Ethel, "I know how we can make him go. Let's tie a tin can to his tail. Brother Tom makes dogs run by tying cans to their tails."

A tin can was found and tied on. Both little girls got in the wagon and by pulling at the lines finally got old Spot to his feet. The dog heard a strange rattling behind him. He turned to one side to see what it was and the can slammed against the wagon on the other side.

Then Spot began to run. The faster he ran the louder the tin can rattled.

SPOT BEGAN TO RUN.

The little girls screamed and pulled on the lines, but there was no stopping Spot.

They saw a gentleman coming up the street. "Oh, papa," Daisy cried, "stop him—stop Spot! We'll be killed!"

Daisy's papa stopped the runaway. Then he asked, "Why, little daughter, what's this you've tied to Spot's tail?"

Both little girls were crying. "It is just a tin can we tied to his tail 'cause he wouldn't go, and Ethel said a tin can would make him go," Daisy explained.

"Well, it did make him go," Daisy's papa said, laughing. "But I don't believe you ever want to try it again, do you?" Both little girls said no. Then Daisy's papa put them in the wagon and led old Spot home, a sadder and a wiser dog.—St. Louis Post-Dispatch.

WEST PARIS.

Woman's Baptist Missionary Society.
The Woman's Baptist Missionary Society of the Oxford Association held a very successful meeting here at the Free Baptist church last week Wednesday. The weather was fair and warm and a good delegation from nearly all the churches on the Grand Trunk R. R. line were present.

The meeting was opened at about eleven in the forenoon with the president, Mrs. C. E. Tolman of South Paris, in the chair. The opening prayer and praise service was led by Mrs. E. O. Taylor of Paris Hill. Mrs. Geo. Crockett of South Paris acted as secretary.

The directors were then called upon and reported as follows:—Mrs. L. C. Morton of South Paris on the Home mission work; Mrs. Rosetta Ryerson of West Sumner on the Foreign mission work; Ethel Ford of Bryant's Pond on Junior Foreign missions; and Mrs. Howes of Mechanic Falls on Junior Home missions. Mrs. Anna Sargent Hunt of Auburn was then introduced and gave a very interesting talk on the mission work in Alaska, illustrating it with a map of that territory. She told much of their customs, condition and the lack of protection by our government.

The noon hour arrived and all adjourned with their basket lunches to the dining room in the Grange hall, where tables were set with white linen and profusely decorated with vases of cut flowers, and more than fifty were served with coffee by the North and West Paris ladies.

The afternoon session commenced promptly at one o'clock and after singing a hymn they proceeded to the annual election of officers resulting in the following:

Pres.—Mrs. C. E. Tolman, South Paris.
V. Pres.—Mrs. Howes, Mechanic Falls.
Sec.—Mrs. Annie Edwards, South Paris.
Mrs. Tolman has faithfully and successfully served as president for ten years and wished to resign but after some persuasion she graciously though reluctantly accepted.

Mrs. J. K. Wilson of Portland was then introduced and gave a very interesting talk on the missionary work in general with suggestions of helpfulness, all the while framing her ideas to a spring house cleaning, beginning with the attic and clearing out the old rubbish, that is, giving away such ideas that might be helpful to some other society and throwing away all old and useless ways and think up or take up new ideas. The sleeping rooms were taken next and she thought the most strongly expressed was that missionary workers were apt to spend too much time sleeping instead of doing. The living room, the kitchen, the shed were cleaned in turn, and finally the yard was taken in hand. Open air meetings and entertainments were suggested and bright, cheery advertisements given of all meetings. When she had finished Mrs. Hunt of the forenoon wished to add a postscript, saying that it was her birthday and that last year she also spent her birthday in the basket missionary meeting and spoke of the gifts thus received through service.

A trio, "Cast thy Bread upon the Waters" was sung by Ella Z. Berry, Mrs. S. T. White and Mrs. R. T. Flavin of this place, after which Miss Owen from the Mather School at Beaufort, S. C., was introduced. Miss Owen's talk about the origin of the school, its originator, Mrs. Mather, its management and growth, also of the poor white people and negroes who work upon the plantations in that section was very interesting. Miss Owen has been a teacher in the school for several years.

The last on the program was a question box and discussion suggested by the last command of Christ found in Matt. 28: 18-20. The questions, "Who

are Christ's friends?" and "How can we best serve as friends of Christ?" were asked by the chair and responded to in direct and effective manner by different ones as called upon.

The meeting adjourned to meet next year in June with the Rumford Falls church by an invitation sent by Mrs. Mixer.

James Lapham has gone to the Central Maine General hospital for treatment.

The ladies' aid had good success with their food sale last Saturday, selling all they had prepared.

He has been called by these two churches to spend his summer vacation here and has accepted. All members of the Universalist society in this vicinity are invited to take dinner at Good Will hall underneath the church. All visitors will also be served there with dinner and entertainment over night. Rev. C. E. Bolles, D. D., of Boston is expected to give the dedicatory address in the afternoon and in the evening the installation sermon for the pastor, Rev. Isabella S. McArthur, who will come here at that time from Berlin to remain with the parish, will be given by Rev. J. F. Albion, D. D., of Portland. Rev. Mr. Taylor of Lewiston, Rev. C. R. BRYANT'S POND.

Horse Killed; Man Injured.
Bert Silver of South Woodstock lost his horse, Tuesday, and suffered painful injuries in a mix-up with an auto. The machine was being driven at high speed down the hill from Paris to Bryant's Pond, near John Foster's, when Mr. Silver encountered it. He threw up his hand for it to stop, but the motorist only reduced speed a trifle, and came rapidly down upon him. The horse turned suddenly, snapping the shaft, which pierced the animal's side, and throwing Mr. Silver to the ground, bruising him severely. The horse, bleeding freely, bolted, and ran a considerable distance before it fell exhausted. The auto driver made good his escape in the confusion. The horse had to be shot, as it had no chance for recovery. It was an excellent animal. Mr. Silver, who is in very moderate circumstances, had been offered \$150 for it only last week. This hill is certainly a dangerous place to meet an auto.

Sunday Services.
Odd Fellows Memorial service was held at the Congregational church Sunday afternoon. In spite of the pouring rain 40 or 50 Odd Fellows and Rebekahs were present. Rev. F. E. Winslow read an interesting sermon from Matt. 23: 8. "One is your Master, even Christ and all ye are brethren." Special music was rendered by the choir consisting of W. S. Dudley, Jessie Hickley, W. Dudley and organist, Ada Flint.

In the evening the Union Gospel Temperance meeting which had been postponed on account of rain, was held in the midst of still heavier rain. Quite a good number were present and the following interesting program was carried out:

Praise service.....Director W. S. Dudley
Scripture Reading and Prayer.....
Antiphonal.....
Reading.....Mrs. Myra Patrick
Song.....There are bands of ribbon white around the world.....Rev. Fred Winslow
Song.....Male Quartet

Exercise, Miss Andrews showing the relative amount spent for different articles yearly in the U. S. Different colored ribbons were used, each inch of ribbon representing one million dollars and the contrast between the few inches of white ribbon representing missionary work, and the vast of black ribbon representing the amount spent for liquor, racing more than around the vestry, was a striking object lesson. As the ribbon was being unrolled and the amount it stood for stated, no one wondered when a small boy ejaculated audibly "gee!"

Ray Lamb, the young son of Fred Lamb underwent an operation for appendicitis at his home here last Friday. He is doing well. The operation was performed by Dr. Williams of Portland, assisted by Drs. Sylvester and Blake.

Gentleman's night was observed at Lakeside Grange Saturday evening, June 16th. A large number were present and enjoyed the musical program and the ice cream and cake which followed. The Grange served the alumni banquet at Bridgton academy last week.

WATERFORD.

Dr. Edward L. Hamlin.
Dr. Edward L. Hamlin, a native of this town, died at his home, 90 Lexington street, Waltham, Mass., Wednesday evening, June 13th. His illness covered a period of several months, and death was not unexpected. He was one of Waltham's most prominent and esteemed citizens, and his demise saddens a host of friends, society associates and citizens, whose esteem he held in the highest degree.

Dr. Hamlin was the son of William and Louisa Hamlin and was born on August 29, 1841.

July 21, 1862, he enlisted as a private in Company B of the 10th Maine Regiment. He was wounded in the battle of Fredericksburg, December 13, 1862, and thereafter remained in hospitals till September 6, 1863, when he was transferred to the Reserve Corps.

After being mustered out of the military service he took up the study of dentistry in this State and in Boston. He practiced his profession for several years in Boston and in Thomaston, Me., but since June, 1879, had been in practice in Waltham. About six months ago he was forced to retire from practice by the illness which resulted in his death.

On December 22, 1873, he was united in marriage to H. Emille McWain of Waltham. Besides his wife he is survived by a son, Dr. William E. Hamlin, of Chelsea, Mass.

Deceased was a member of Prospect Lodge, I. O. O. F.; Rumford Council, R. A.; and Post 20, G. A. R.; and was a Royal Arch Mason, being associated with Mt. Tir-em Chapter of this town.

The funeral was held at the late residence of the deceased last Friday afternoon at 4 o'clock, the Odd Fellows' service being conducted, and Rev. F. A. Taylor, pastor of the Waltham Universalist church, being the officiating clergyman. The remains were brought to this town for interment.
